(2) Replacement of existing 1 KW MW transmitter by 10 KW MW (Yuva Vani).

2. *Jammu:*

(1) Replacement of existing 1 KW MW transmitter by 10 KW MW.

(2) Upgradation of the power of existing 50 KW MW transmitter to 300 KW MW.

3. *Leh:*

Installation of a short wave transmitter of 10 KW.

Construction of new radio stations at Bhadarwah, Kargil, Poonch and Kathua also figure in AIR's draft proposals for the 7th Plan.

Implementation of these schemes will depend on the final allocation of funds for AIR during 7th Plan.

Doordarshan programmes in Jammu and Kashmir as counter to Pak T. V. programmes

2870. SHRI GHULAM RASOOL KAR: Will the Minister of INFORMATION AND BROADCASTING be pleased to state what steps are contemplated to make out T.V. more visible in Karnah, Keran, Gureg, Rajouri, Poonch areas, to counter T.V. programmes of Pakistan?

THE MINISTER OF STATE OF THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI V. N. GADGIL): Whereas Rajouri and Poonch areas shall be brough under TV coverage with the installation of High Power transmitters in Jammu and Poonch, the extension of TV service to other uncovered areas in the State would depend upon the availability of resources during the future plans of TV expansion.

Greater Aizawal water scheme

2871. DR. C. SILVERA: Will the Minister of WORKS AND HOUSING be pleased to state:

(a) when the Greater Aizawal water scheme started;

(b) what is the amount which has been allocated for the scheme and how much has been spent so far; and

(c) the time by when the scheme is likely to be completed?

THE MINISTER OF PARLIAMENTARY AFFAIRS (SHRI H. K. L. BHAGAT): (a) Technical approval for the revised phase I of the Greater Aizawal water supply scheme was accorded by the Central Public Health Engineering Organisation of the Ministry of Works and Housing on 14th February, 1983. Administrative approval for the revised phase I was accorded by the Union Territory Administration in March, 1984. The tender for civil portion of the work was finalised in June, 1984 and mechanical portion in July, 1984. The work on the project is in progress.

(b) An amount of Rs. 300 lakhs has been proposed to be earmarked for the project during the current financial year. The esact amount spent so far out of this is not readily available.

(c) According to present indications, the project is likely to be completed by March, 1986.
